2 Basis of the Conditions

- 2.1 These Conditions apply to the exclusion of any other terms that the Customer seeks to impose or incorporate, or which are implied by law, trade custom, practice or course of dealing. These Conditions apply to all deliveries, services and offers of SYNAXON UK Ltd, Sterling House Mandarin Court, Centre Park, Warrington, WA1 1GG, United Kingdom towards entrepreneurs. They therefore also apply to all future business relationships, even if they are not expressly agreed again. We do not recognize conditions of the customer deviating from our conditions of sale, even if we do not expressly contradict them.
- 2.2 The Customer waives any right it might otherwise have to rely on any term endorsed upon, delivered with or contained in any documents of the Customer that is inconsistent with these Conditions.
- 2.3 A quotation for the Goods given by Synaxon shall not constitute an offer. A quotation shall only be valid for a period of 14 Days from its date of issue.

3 Goods

- 3.1 The Goods are described in Synaxon's catalogue as modified by any applicable Specification.
- 3.2 To the extent that the Goods are to be manufactured in accordance with a Specification supplied by the Customer, the Customer shall indemnify Synaxon against all liabilities, costs,

expenses, damages and losses (including any direct, indirect or consequential losses, loss of profit, loss of reputation and all interest, penalties and legal and other professional costs and expenses) suffered or incurred by Synaxon in connection with any claim made against Synaxon for actual or alleged infringement of a third party's intellectual property rights arising out of or in connection with Synaxon's use of the Specification. This clause 3.2 shall survive termination of the Contract.

- 3.3 Synaxon reserves the right to amend the specification of the Goods if required by any applicable statutory or regulatory requirement, and Synaxon shall notify the Customer in any such event.

4 Delivery and performance time

- 4.1 Synaxon shall deliver the Goods to the location set out in the Order or such other location as the parties may agree (**Delivery Location**) at any time after Synaxon notifies the Customer that the Goods are ready.
- 4.2 Delivery times and delivery dates are only binding if Synaxon has expressly designated these as binding in writing within the Order, otherwise time is not of the essence.
- 4.3 Delivery is completed on the completion of loading of the Goods at the Delivery Location.
- 4.4 Any dates quoted for delivery are approximate only, and the time of delivery is not of the essence. Synaxon shall not be liable for any delay in delivery of the Goods that is caused by a Force Majeure Event or the Customer's failure to provide Synaxon with adequate delivery instructions or any other instructions that are relevant to the supply of the Goods.
- 4.5 If Synaxon fails to deliver the Goods, its liability shall be limited to the costs and expenses incurred by the Customer in obtaining replacement goods of similar description and quality in the cheapest market available, less the price of the Goods. Synaxon shall have no liability for any failure to deliver the Goods to the extent that such failure is caused by a Force Majeure Event or the Customer's failure to provide Synaxon with adequate delivery instructions or any other instructions that are relevant to the supply of the Goods.
- 4.6 If the Customer fails to take delivery of the Goods within two Business Days of Synaxon notifying the Customer that the Goods are ready, then, except where such failure or delay is caused by a Force Majeure Event or Synaxon's failure to comply with its obligations under the Contract in respect of the Goods:
- 4.6.1 If such a written notification of an accidental or error delivery is not made within these time limits or at all, the delivery is considered accepted by the Customer, and the Customer is obliged to pay the usual and reasonable purchase price for the Goods to Synaxon.
- 4.7 If five Business Days after the day on which Synaxon notified the Customer that the Goods were ready for delivery the Customer has not accepted actual delivery of them, Synaxon may resell or otherwise dispose of part or all of the Goods and, after deducting reasonable storage and selling costs, account to the Customer for any excess over the price of the Goods or charge the Customer for any shortfall below the price of the Goods.
- 4.8 Synaxon may deliver the Goods by instalments, which shall be invoiced and paid for separately. Each instalment shall constitute a separate contract. Any delay in delivery or defect in an instalment shall not entitle the Customer to cancel any other instalment.
- 4.9 For as long as the Customer pays in advance, the Goods will be reserved for the Customer, if possible, but only sent to the Customer after payment has been received.
- 4.9.1 For the avoidance of doubt, the reservation of the Goods shall not be a guarantee of entitlement of the Goods. The Customer is therefore requested to take this into account when placing an Order and to bring the agreed payment in advance in good time. Insofar as the Customer chooses advance payment and the amount of money to be paid is not credited to Synaxon within 5 working days, Synaxon shall be entitled to withdraw from the Contract.

5 Prices

- 5.1 The price of the Goods shall be the price set out in the Order, or, if no price is quoted, subject to clause 5.2, the price set out in Synaxon's published price list in force as at the date of delivery.
- 5.2 With the updating of the purchasing platforms all previous prices and other information about Goods become invalid. Decisive is the valid version at the time of the order.
- 5.3 Synaxon may, by giving notice to the Customer at any time before delivery, increase the price of the Goods to reflect any increase in the cost of the Goods that is due to:

- 5.3.1 any factor beyond Synaxon's control (including foreign exchange fluctuations, increases in taxes and duties transport, shipping, freight insurance, and increases in labour, materials and other manufacturing costs);
- 5.3.2 any request by the Customer to change the delivery date(s), quantities or types of Goods ordered, or the Specification; or
- 5.3.3 any delay caused by any instructions of the Customer or failure of the Customer to give Synaxon adequate or accurate information or instructions.
- 5.4 The prices of the Goods, unless otherwise agreed, excludes:
 - 5.4.1 transport, shipping, freight insurance, cash on delivery; and
 - 5.4.2 excludes amounts in respect of value added tax (VAT), which the Customer shall additionally be liable to pay to Synaxon at the prevailing rate, subject to the receipt of a valid VAT invoice.
- 5.4.3 Deliveries to England and Wales are made without a minimum order value and without a minimum quantity surcharge. For EGIS users, orders below GBP 49.00 net order value and for Non-EGIS users, orders below GBP 150 net order value will be charged with a GBP 4.00 flat-rate freight charge per parcel; above this order value, parcels will be delivered carriage paid.
- 5.4.4 Deliveries to Northern Ireland are made without a minimum order value and without a minimum quantity surcharge. For EGIS users, orders below GBP 250 net order value and for Non-EGIS users, orders below GBP 500 net order value will be charged with a GBP 10.00 flat-rate freight charge per parcel; above this order value, parcels will be delivered carriage paid.
- 5.5 Synaxon may invoice the Customer for the Goods on or at any time after the completion of delivery.

6 Transfer of risk

- 6.1 The risk in the Goods shall pass to the Customer when the goods are handed over to the carrier or when the goods have left the warehouse of Synaxon for the purpose of dispatch.
- 6.2 If the shipment is delayed without Synaxon's fault or if it becomes impossible at no fault of Synaxon, the risk shall pass to the Customer upon notification of readiness for shipment. For the avoidance of doubt, an agreed assumption of transport costs by Synaxon has no influence on the transfer of risk.

7 Warranty

- 7.1 Synaxon warrants that on delivery the Goods shall:
 - 7.1.1 conform in all material respects with their description and any applicable Specification;
 - 7.1.2 be free from material defects in design, material and workmanship;

 - 7.2.1 the Customer gives notice in writing to Synaxon within seven days that some or all of the Goods do not comply with the warranty set out in clause 7.1;
 - 7.2.2 Synaxon is given a reasonable opportunity of examining such Goods; and
 - 7.2.3 the Customer (if asked to do so by Synaxon) returns such Goods to Synaxon's place of business at Synaxon's cost,
Synaxon shall, at its option, repair or replace the defective Goods, or refund the price of the defective Goods in full.
- 7.3 Synaxon shall not be liable for the Goods' failure to comply with the warranty set out in clause 7.1, if:
 - 7.3.1 the Customer makes any further use of such Goods after giving notice in accordance with clause 7.2;
 - 7.3.2 the defect arises because the Customer failed to follow Synaxon's oral or written instructions as to the storage, commissioning, installation, use and maintenance of the Goods or (if there are none) good trade practice regarding the same;
 - 7.3.3 the defect arises as a result of Synaxon following any drawing, design or Specification supplied by the Customer;
 - 7.3.4 the Customer alters or repairs such Goods without the written consent of Synaxon;
 - 7.3.5 the defect arises as a result of fair wear and tear, wilful damage, negligence, or abnormal storage or working conditions; or
 - 7.3.6 the Goods differ from the Specification as a result of changes made to ensure they comply with applicable statutory or regulatory requirements.

- 7.4 Except as provided in this clause 7, Synaxon shall have no liability to the Customer in respect of the Goods' failure to comply with the warranty set out in clause 7.1.
- 7.5 The terms implied by sections 13 to 15 of the Sale of Goods Act 1979 are, to the fullest extent permitted by law, excluded from the Contract.
- 5.6 These Conditions shall apply to any repaired or replacement Goods supplied by Synaxon.

8 Limitation of liability

- 8.1 Synaxon has obtained insurance cover in respect of its own legal liability for individual claims. The amount of coverage is concluded in accordance with the typical damage, contract and subject matter. The limits and exclusions in this clause reflect the insurance cover Synaxon has been able to arrange and the Customer is responsible for making its own arrangements for the insurance of any excess loss.
- 8.2 The restrictions on liability in this clause 8 apply to every liability arising under or in connection with the Contract including liability in contract, tort (including negligence), misrepresentation, restitution or otherwise.

 - 9.1.1 Synaxon receives payment in full (in cash or cleared funds) for the Goods and any other goods that Synaxon has supplied to the Customer;
 - 9.1.2 the Customer resells the Goods, in which case title to the Goods shall pass to the Customer at the time specified in clause 9.4.
- 9.2 Until title to the Goods has passed to the Customer, the Customer shall:
 - 9.2.1 store the Goods separately from all other goods held by the Customer so that they remain readily identifiable as Synaxon's property;
 - 9.2.2 not remove, deface or obscure any identifying mark or packaging on or relating to the Goods;
 - 9.2.3 maintain the Goods in satisfactory condition and keep them insured against all risks for their full price from the date of delivery; and
 - 9.2.4 give Synaxon such information as Synaxon may reasonably require from time to time relating to:
 - 9.2.4.1 the Goods; and
 - 9.2.4.2 the ongoing financial position of the Customer.
- 9.3 The Customer may resell or use the Goods in the ordinary course of its business (but not otherwise) before Synaxon receives payment for the Goods. However, if the Customer resells the Goods before that time, the Customer hereby assigns to us any claims to which he is entitled in respect of the reserved goods in the the invoice value of the goods subject to retention of title. We accept this assignment.

- 9.4.2 require the Customer to deliver up all Goods in its possession that have not been resold, or irrevocably incorporated into another product and if the Customer fails to do so promptly, enter any premises of the Customer or of any third party where the Goods are stored in order to recover them.
- 9.5 Insofar as the value of all security interests to which we are entitled under these provisions exceeds the amount of all secured claims by more than 20%, we shall release an appropriate portion of the security interests at the request of the customer.

14 Special conditions for EGIS user

- 14.1 We grant a 14-day right of return from the date of delivery, with the exception of used goods, single or spare parts, individual items from set offers and special designs (BTO / CTO) for the Customer. The right of return exists for goods in their original packaging without damage to the packaging and without breach of seal (openings within the framework of the commercial investigation and notification duty are excluded). Software is excluded from the right of return if the delivered media has been unsealed. The Customer must first register the return by EGIS-RMA-Form. After receipt of the return authorization, the Customer has to return the Goods to us within 5 working days, otherwise the right of return expires. If the Customer uses the return label provided by us, the return shipment is free of charge for him. Otherwise the Customer has to bear the costs for the return shipment himself. In order to meet the deadline, the timely dispatch of the Goods is sufficient. The Goods will be credited to the Customer after receipt at our original purchase price. The above right of return does not apply to project transactions.
- 14.2 The first 14 calendar days after delivery are considered as unpacking warranty. If a Customer wants to assert warranty claims against the manufacturer within this period, he can return the Goods to us and we take over the handling with the manufacturer. The Customer must

first register the return by EGIS-RMA-Form. After receipt of the return authorization he has to return the Goods in original packaging for us free of charge. If the Customer prefers a transaction via SYNAXON UK Ltd., we will replace defective Goods within 21 days of receipt of the Goods at the address communicated by us or credit them at the purchase price calculated at the time of purchase or repair them. After the second unsuccessful repair attempt, the Customer has the right to withdraw from the contract. He has to return the defective goods to us at his own expense. The special provisions in 16 apply to the handling of DOA cases.
- 15.2 If SYNAXON UK Ltd. assumes warranty service for the Customer, the latter must remove the items inserted by him or a third party (for example, chips or cards) from the product prior to entry. SYNAXON UK Ltd. is not obliged to examine the product for the installation of such objects. SYNAXON UK Ltd. is not liable for the loss of such items, unless it was obvious to us upon return of the product that such an item has been inserted into the product. In this case, the Customer will be informed and the item will be held ready for collection, and the Customer will bear the costs incurred.
- 15.3 In addition, before submitting a product, the Customer must make backup copies of the system software, applications and all data on the product on a separate medium and disable all passwords. Subsequently, the Customer sends the device - for us free of charge - according to the manufacturer's conditions with the following information to us: DOA number, serial number, error description. The Customer is responsible for compliance with the applicable deadlines. This means in particular that he must register the DOA in good time with the manufacturer and send the defective Goods to us in good time so that the forwarding of the Goods by us to the manufacturer allows us to meet the deadlines set by the manufacturer. Any credit to the Customer will be made as soon as the credit note of the sub-supplier or manufacturer has been made. If the manufacturer rejects a handling within the scope of the DOA regulation for reasons for which SYNAXON UK Ltd. is not responsible, the complaint will be settled within the scope of the general warranty or guarantee claims.
